INDEX OF VOLUME VII

Journal of the Cactus and Succulent Society of America

JULY 1935—JUNE 1936 (INCLUSIVE)

Names of plants are spelled as given in the author's copy. The Journal has made every attempt to assure accuracy of all names used, but does not guarantee them to be so. The reprint of Volumes I and II of "The Cactaceae" is not included in the index; it is expected that the index when reprinted will serve all purposes. Items in CAPITAL LETTERS indicate the title of an article. Page numbers in *Italics* (*6*) indicate an illustration of the item named. " " Quotation marks indicate the title of a book or other work.
